Manufacturers

For almost 100 years Traeger Brothers has been serving the Caribbean region. A family owned business since 1924, Traeger Brothers provides our clients not only with a wide variety of products but with remarkable customer service, support, and attention to detail.

Our Telecom and Data division has over 50 years of combined experience in the industry. We carry a complete range of products to provide you with all your data and telecom needs. From the outside plant nuts and bolts to the sophisticated switching and routing gear that is the core of your network. We carry everything you need and you can get it all in just one location.

We encourage you to call us with your needs and allow us to make you part of our family.

***“Call Traeger... When you need it
Correctly, On-Time, and at the Best Price!”***
